Usage agreement and declaration of consent for customer portal

1. Yes, I would like to use the SchwörerHaus online customer portal.

1.1 I have read the usage agreement and understand that I am concluding a contract with SchwörerHaus for the use of the customer portal in accordance with the usage agreement when I register.

1.2 SchwörerHaus processes my personal data so that I can use the customer portal in accordance with the contract. I have read the data protection information for the SchwörerHaus customer portal.

2. I agree that SchwörerHaus may use the Microsoft account I have provided to create my user account for the customer portal, to identify myself and to enable me to log in to the customer portal. This user account should be linked to the data specified in the construction contract with SchwörerHaus. The data should be transferred to the customer portal.

3. I consent to SchwörerHaus processing my personal data when I use the customer portal. The requirements for my consent and for the processing of my personal data in the customer portal can be found in the data protection information.

4. I am aware that I do not need to use the customer portal if I have concluded a building contract with SchwörerHaus. All necessary steps can also be carried out via other channels (for example e-mail, telephone and fax). If I no longer want to use the customer portal, I can terminate its use at any time.

How does registration work?

After your house contract and this user contract with a declaration of consent have been confirmed at the main plant in Hohenstein-Oberstetten, you will receive an email for customer portal registration.

As described in the terms of use, the SchwörerHaus customer portal was implemented with the help of Sharepoint Online. This means that in the next step you need a Microsoft account at exactly the e-mail address that you have given in this form.

If you already have a Microsoft account at this email address, you can use this to register or log in.

If not, we ask you to create a new Microsoft account at exactly this email address. The creation and use of this Microsoft account for the customer portal is free of charge.
